 <p>HAI INDONESIA !!</p>	Catatan  Hari Ini isi catatan 7/10/2025 7 Hari Sebelumnya isi catatan 14/10/2004 30 hari sebelum nya isi catatan 14/10/2004 September isi catatan 14/10/2004 + Tambahkan Catatan

The image displays a 3x2 grid of screenshots from a mobile application for taking notes.

Row 1:

- Left Column:** Shows a note titled "isi catatan". The note content area is empty. At the bottom right of the note area is a button labeled "Berhasil di tambahkan" with a checkmark icon.
- Right Column:** Shows the same note after it has been saved. The note content area is empty. A success message "isi catatan Berhasil di tambahkan" is displayed above the note area. The bottom right corner shows standard sharing icons: a list, a camera, a share, and a star.

Row 2:

- Left Column:** Shows a note titled "isi catatan". The note content area contains three bullet points: "○ ---", "○ ---", and "○ ---". Below the note area are the same sharing icons.
- Right Column:** Shows the same note after it has been saved. The note content area is empty. A success message "isi catatan Berhasil di tambahkan" is displayed above the note area. The bottom right corner shows standard sharing icons.

Row 3:

- Left Column:** Shows a note titled "isi catatan". The note content area is empty. At the bottom right of the note area is a button labeled "Berhasil di tambahkan" with a checkmark icon.
- Right Column:** Shows the main screen of the application. It features a header with the title "Catatan" and a search bar. Below the header is a list of saved notes:
 - Hari Ini**: "isi catatan" (date: 7/10/2025)
 - 7 Hari Sebelumnya**: "isi catatan" (date: 14/10/2004)
 - 30 hari sebelum nya**: "isi catatan" (date: 14/10/2004)
 - September**: "isi catatan" (date: 14/10/2004)A large "Tambahkan Catatan" button is located at the bottom right of the list.
